

## **Physical Therapist**

**Full Time**

**Day shift**

### **POSITION SUMMARY: MAJOR TASKS, DUTIES, AND RESPONSIBILITIES**

The Physical Therapist evaluates and treats patients suffering from a physical disability due to injury, disease, or surgery. The Physical Therapist establishes treatment plans and treats patients using a variety of methods, including exercises, stretching maneuvers, hands-on therapy, and equipment to ease patients' pain, help them increase their mobility, and restore them to their prior level of function. The Physical Therapist works cooperatively with physicians, other therapists and assistants, support staff, case managers, and insurance adjusters. May supervise physical therapy assistants, aides, students, and athletic trainers. The Physical Therapist must also follow required guidelines while maintaining Mercy Regional Medical Center's excellent reputation and customer satisfaction.

### **POSITION QUALIFICATIONS:**

Must maintain valid state Physical Therapy license

Must possess basic computer skills; intermediate skills preferred

Must possess therapy services knowledge, leadership and delegation skills, and experience

Must maintain current BLS certification

Must maintain a valid driver's license and have the ability to travel to company locations
